Owner surrender declaration and signatures

9. Surrender declaration - owner surrenders only

I declare that I am the lawful owner of the bird described in this form, or that I have the lawful authority to surrender the bird.

I voluntarily and permanently surrender the bird to Budgie Sanctuary Rescue and transfer ownership of the bird to the rescue. Once accepted, the rescue may make decisions it considers appropriate for the bird's welfare, including housing, quarantine, veterinary examination and treatment, rehabilitation, permanent sanctuary care, foster care, adoption or rehoming.

I understand that surrender does not guarantee the bird will remain permanently at the sanctuary. I have no right to reclaim the bird or direct its future care or placement unless Budgie Sanctuary Rescue agrees otherwise in writing.

I confirm that, to the best of my knowledge, the information I have provided about the bird's identity, ownership, health, veterinary history, diet, behaviour, medications and circumstances is truthful and complete. I have disclosed any known illness, injury, biting, aggression, escape risk or other special need.

I authorise Budgie Sanctuary Rescue to share relevant information about the bird with veterinary professionals, carers and prospective adopters where reasonably necessary for the bird's care or placement.

Unless otherwise recorded in this form, any cage, carrier, food, toys, records or other items left with the bird are donated to Budgie Sanctuary Rescue.

I understand that Budgie Sanctuary Rescue cannot guarantee the bird's future health, lifespan, behaviour, placement or outcome.

☐ I have read and agree to the surrender declaration above.
